The fantastic world of traditional and horseback archery

We teach and help to improve:

- horseback riding skills (balance, riding rain-less)
- archery skills
 (in terms of blind and fast nocking, shooting from both hands and to all directions)
- competitor's skills
 (in terms of the Korean Style, Hungarian Style, Polish Track, 3D shooting, field archery, stump shooting etc.)

During our workshops we offer:

- 2 horseback riding trainings per day
- 2 archery trainings per day
- individual consultations

 (on equipment selection, skills improvement, horseback riding, horse training)

- over 10 years of experience in the field of mounted archery
- students from all over the world among others USA, Sweden, Iran, England, Brazil, Hungary, China
- over 100 completed editions of archery workshops (in Poland and all over the world)
